1. **Page 428:**

- Question 31: The answer should be B, not C (the substantive feedback is correct).

2. **Page 476:**

- Question 5: The second sentence erroneously reads "From January 1, 2009 to March 30, 2009, \$2,000 in medical bills had been paid by John." It should read, "From January 1, **2008** to March 30, **2008**...."
