Recovering From Tax Season 2008 Letter from the President

Greetings,

The Board of Directors and I hope you all had a wonderful and successful 2009 tax filing season. Now it is time to focus on education and many other items that we have put on the side.

The Board of Directors held their first meeting on May 20, 2009. We are in the process of planning our one-day annual seminar which will be held on Tuesday, December 1, 2009, in conjunction with National's The 1040 Essential and Beyond the 1040 Workshops to be held on December 2nd and 3th, at the Hilton – New Orleans Airport in Kenner – so mark your calendars!

Upcoming NATP National Conference in Reno, NV from July 20-23 will be exciting and educational. Look for the brochure for speakers, topics, etc. from National to join us in Reno!

Be on the lookout for our next newsletter for more details on our annual seminar. If you have any questions, comments, etc., please email me at teeboo79@aol.com or call at 985-868-5002.

Sincerely,
Tanya P DeSoto
President

HELP!

BY: HARRY J. PICOU III, EA

There was some confusion at the previous annual meeting when two board of director positions came up for election. Some of you expressed after the election the desire to assist and even accept a board position. There are now three vacated board of director positions available and we are asking for your help in filling them.

If you are interested in filling one of these positions or have any questions regarding the requirements for filling one of these positions, please contact a member of the board of directors. Their contact information is on the following page.
