Recovering From Another Tax Season

Letter from the President

Greetings,

Education on a national and state level occupies most of our free time after April 15th each year, so why should this year be any different!! We were happy to experience over thirty different federal seminars at the National NATP Convention in Reno, NV this year as our members continue to be the best educated tax professionals in the US. Now, we look forward to receiving the latest at the 1040 Essential and beyond the 1040 workshops NATP is providing in our area.

We are pleased to announce that our LA NATP Annual Seminar and meeting will precede the two seminars at the Airport Hilton in Kenner, on December 01, 2009. We apologize to those members who will be attending the Lafayette seminars for the conflict of schedule. More than half of our members reside within sixty miles of the Greater New Orleans area, so having our seminar adjacent to National's, provides a large majority of our members the opportunity to obtain Federal as well as Louisiana updates together and in the same location. We will try to not conflict in the future. See you in Kenner!!

Sincerely,
Tanya P. DeSoto
President

**Welcome to our two newest members:
Jane Rachal of Shreveport
And
Penny Brupbacher of Baton Rouge
they joined last month!!**
