A NOTE FROM THE PRESIDENT

With all the challenges, we face in this profession now, and continue facing, I often wonder why I continue to do this. Is it the money, for me not really. It's, feeling I can make a difference in my clients lives, by being there for them. Explaining those "love notes" from the IRS and state of MO. The comfort they have knowing someone is

in their corner. I have been told many times that I am their HERO, kind of scary, and puts the pressure on. I just try remember that we need to be there for our clients, and to them we are "Super Hero's " sometimes. The qualities of a HERO are defined as 1. Courage, yep we face the IRS demons. 2. Selflessness, yep

we work hard for them. 3. Humility yep we are usually in the background, keeping things in line for them. 4. Patience oh yeah, with all the changes in law, we have to stay diligent. 5. Caring to me the most important, we put them first and always help in anyway we can.

5 Lessons in Life from Dr. Seuss

1. Today you are You, that is truer than true. There is no one alive who is Youer than You.
2. 'Why fit in when you were born to stand out?
