A Message from the President

Dear Fellow NM NATP Members,

Happy September! With the **October 15, 2026 extension deadline** now just six weeks away, I know many of you are heads-down and moving fast — and I simply want to say **thank you**. Thank you for the long hours, the careful work, and the genuine care you pour into serving New Mexico taxpayers every day. This chapter is incredibly proud of each of you, and NATP's member hotline and technical resources are always there when you need backup on a tough return.

Don't let the deadline season crowd out your CPE goals! Fall is the perfect time to knock out remaining continuing education credits before December 31 through NATP's excellent webinars and self-study programs. Tax law updates for the upcoming filing season are on the horizon, and NATP will keep us all informed as new guidance drops — another great reason to stay engaged with your membership resources.

Now for the news I am most excited to share: our chapter's **Annual Meeting** is coming up this fall, and it is shaping up to be the highlight of our chapter year! Expect outstanding networking, quality CE programming, important chapter business — and a heartfelt recognition of members who have gone above and beyond for their clients and their peers. This is the event you will not want to miss. **Save the date and watch your inbox** — the official announcement with full details on date, location, and registration is coming very soon. I cannot wait to see everyone there!
