TN NATP Chapter Newsletter

September 2026

It's been a month since we had our annual conference. We missed those of you who could not attend and hope that you will make plans to be there on August 5th and 6th 2027. We appreciate all of you who attended. You are the reason we have in-person classes and it's always a pleasure to meet those of you we don't know. And sometimes, we become life-long friends!

The Board met Wednesday evening for our annual Board meeting. Afterwards, we met up with A.J. and Melinda for dinner to discuss any last detail before the conference began.

Thursday morning, after comments from our President, Mark Curran, A.J. jumped right into New Legislation and Tax Updates. With A.J. Reynolds and Melinda Garvin as instructors, we learned new things in tax law we might not have known and strengthened what we did know. We also had opportunities for real life stories which brought much laughter. We learned which one played the piano/organ in their church and which one was in a commercial. Can you guess which one?

On Friday morning at 7:30 a.m., we held our annual business meeting where the financial report was presented and then elected new Board members. We had three members rolling off and after giving the opportunity for others to join, the three rolling off decided to remain on the Board to start another three-year term. The business meeting concluded and classes began again.

We appreciate A.J. and Melinda sharing their knowledge of tax law and Ethics with us. They always make learning fun. Thank you to each of you who attended and contributed to the many conversations.
