The Tennessee Connection

TN NATP Chapter Newsletter
June 2026

Can you believe how fast this year has gone? We hope your tax season was a productive one. Now that tax season is in the rear-view mirror, we can focus on other things. First of all, vacation! Yes, we all need a break in routine and be able to just breathe. Then, we need to focus on the dreaded continuing education. Well, let me tell you that you won't dread sitting in a classroom all day if you come to the Tennessee Chapter annual meeting on August 6th & 7th. That's right, because we have Melinda Garvin and A.J. Reynolds as our illustrious instructors, who together, make such a wonderful team, that they keep us in stitches, all while teaching us what's new with taxes. And of course, I can't forget to tell you how delicious our food is. We have it catered by the Firey Pig and they do such a wonderful job.

Registration Fees are:

If you haven't been to middle TN, you are in for a real treat! We love our town of Murfreesboro and there are lots of things to do if you decide to spend a few extra days. Things, such as, visiting the Stones River Battlefield, visiting downtown where lots of cute shops and restaurants make up most of the square. We have the old courthouse where you can visit the museum inside. It's pretty cool. You are also able to go upstairs to visit the old courtroom where they hold council meetings today.

There are so many places close enough to go hiking, if that's your thing. And of course, there's always the Nashville Scene where things are always happening on Broadway and Second Avenue. For those interested in music, try the Ryman or the Grand Ole Opry and the Country Music Hall of Fame is a must see as well. There are so many things you can find to do in downtown Nashville and it's only an uber drive away. And then, there's Andrew Jackson's Home "the Hermitage" and Gaylord Opryland Hotel, one of the prettiest places on the outskirts of town with plenty of shops and restaurants galore. And don't forget to take a ride down the delta which departs from inside the hotel, and of course, there's the General Jackson that cruises down the Cumberland River. Well, you get the idea. So join us and have a blast while you're in and out of class!
