

# Texas Taxing Times

## A Message From our President

Dear Texas NATP Members,

I want to thank all those that came out to our Grand Prairie EPIC event June 9 – 11, 2025 and to the Board who made it a huge success. We had such a great group of attendees and the classes that A.J. Reynolds, E.A. presented were right on the mark with our educational needs. Norma Collins, E.A. and Brett Rosser, E.A. also presented some current topics for preparing 2025 taxes. Our Meet N Greet was so much fun on Monday night followed by an awesome buffet dinner at Vidorra. On Tuesday, we had some surprisingly talented Pickle Ball players hop onto the courts and show everyone that tax pros are not dull by any means! And of course, we had some more wonderful food at Chicken & Pickle. We honored 3 top winning teams with trophies. You'll need to be on the lookout for pictures that commemorate this Epic Event.

We continue to have our Texas Tax Talk Tuesdays the first Tuesday of each month to connect with each other and discuss the constantly changing environment of our profession. Our next online seminar is July 1, 2025, at 12:30 CST. The topic is one you will surely want to attend. Registration is now open.

Plan to join us in Las Vegas at the National Taxposium. Our Special Events committee has arranged for a fantastic Meet-N-Greet event at Carlos & Charlies in Las Vegas on July 22, 2025. Be sure to register when you sign up for the National Taxposium.

You will want to Save the Dates for both our Annual Meeting on Friday, October 3, 2025, at the Omni Hotel in Dallas and our 2026 Education and Annual Meeting in South Padre Island on October 23 – 24, 2026. See the attached flyer for information on attending the IRS RPM's that are now available for registration.

I hope that everyone takes a little time off to relax and recharge over the summer months before the next early Fall deadline.

Be sure to watch your email for updates and exciting news. If you have any questions, please send them to [texasnatp@gmail.com](mailto:texasnatp@gmail.com).
